QUALITY POLICY

With the vision of **"Being the Proud Pioneer in Creating a Satisfied Cooperative Human Resource for the Southern Province,"** the Southern Provincial Cooperative Employees Commission is committed to providing an effective and systematic service to the cooperative community of the Southern Province, ensuring the satisfaction of its service recipients through the application of good governance principles and strategic management practices.

To achieve this, we are committed to:

- Providing efficient services with the highest possible level of legal compliance and protection.
- Continuously improving all processes of the Southern Provincial Cooperative Employees Commission through effective monitoring and measurement.
- Complying with all applicable legal and statutory requirements.
- Managing the Southern Provincial Cooperative Employees Commission in a socially responsible manner.
- Complying with the requirements of the **ISO 9001:2015 Quality Management System** and continually enhancing its effectiveness.
